</table>

Explanation of Responses:

1. This transaction represents the number of shares required to be sold by the Reporting Person to cover tax withholding obligations in connection with the vesting of RSUs. This sale is mandated by the Issuer’s election under its equity incentive plans to require the satisfaction of tax withholding obligations to be funded by a “sell to cover” transaction and does not represent a discretionary trade by the Reporting Person.

2. The transaction reported in this Form 4 was effectuated pursuant to a Rule 10b5-1 trading plan adopted by the reporting person on September 15, 2022.

3. The price reported for this transaction is a weighted-average price. The shares were sold in multiple transactions ranging from $6.48 to $6.60, inclusive.

Reminder: Report on a separate line for each class of securities beneficially owned directly or indirectly.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.

Persons who respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB Number.
